

Dear Brothers and Sisters in Christ,

March 2017

The Lord has been so good to us! We praise Him for His blessings and guidance. We have just concluded our twentieth month of deputation. It has been amazing to watch our Lord provide for our needs and teach us important lessons along the way. We had several exciting meetings last month and we praise the Lord for giving us opportunities to personally share the Gospel with lost souls. Our current support level is 68%!

Though South Korea is an advanced country with modern conveniences, it has an ancient culture that is both delightful and intriguing. In the densely populated cities of Korea one will find modern grocery stores as well as traditional open markets. These markets are places where farmers and local vendors bring their produce and other wares to be sold. When we lived in Korea, our city had two traditional markets that operated every five days. When the market day fell on a weekend the place would be bustling with shoppers. We (especially my wife) enjoyed

shopping with the people of our city for fruits, vegetables, and other goods. This environment gave us valuable insights into the culture and provided opportunities to personally connect with the local residents. When we reflect back on those times, our hearts long to return and fervently communicate the Gospel to the Korean people.

We are extremely excited to announce that the Lord has blessed us with a baby due to arrive July 25th! If all goes well, we will then depart for Korea at the end of September, Lord willing. We have already begun gathering and preparing the documents needed for our Korean visas. This process will take several months. We would greatly appreciate your prayers for the following requests:

- Please pray for us as we prepare to be godly parents and transition to our mission field.
- Please pray that our little one will come safely, be healthy, get saved at a young age, and grow up to serve the Lord.
- Please pray that we will be able to procure our Korean visas without any problems.
- Please pray that the Lord will raise the remainder of our needed support.
- Please continue to pray that the Lord would use us to see many souls saved, lives changed, and churches started in Korea for His honor and glory.

Thank you so much for your faithful prayer and financial support. You are a tremendous blessing!

In Christ,
