

November 2015

Dear Pastor & Church Family,

What a joy it is to be serving our Lord Jesus Christ. The Lord's mercy, grace, and provision have been so evident recently to us. We praise God for your prayer and financial support.

The beautiful autumn season in Korea is preceded by a time of great harvest. Delicious fruits and vegetables, as well as the national staple of rice, are harvested all over the country during this time. Afterwards, the traditional markets are filled with the results of the farmers' labor. As I ponder the physical harvest, I can't help but to think of the great spiritual harvest that is the Korean people. There are millions of Koreans who have never heard a clear presentation of Christ's Gospel. I believe that many of these dear souls would come to Christ and be saved if they were confronted biblically with the truth. The Lord Jesus

Christ said in John 4:35 - *"Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest."* We are excited to return to Korea and labor fervently in this wonderful harvest field. Please continue to pray that the Lord will raise our support so that we can depart for Korea in a timely manner.

Praise!

We praise the Lord for raising 20% of our needed monthly support!

We praise the Lord for using Andrew recently to lead a troubled young man to Christ!

In Christ,
