

Dear Brothers and Sisters in Christ,

September 2016

Greetings from the west coast! The past several weeks we have presented our ministry in California, Oregon, Nevada, and Washington. We praise the Lord for His protection as we drove over 7,000 miles last month with no mishaps. It has been encouraging to learn of four churches that have recently partnered with us for the sake of the Gospel going forth in Korea.

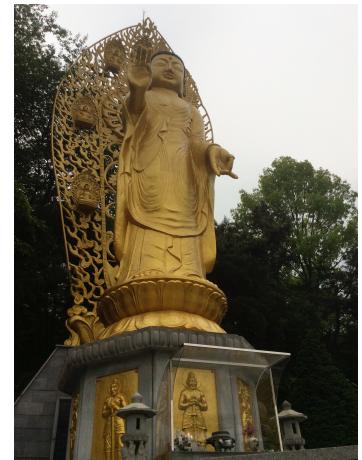

The people of South Korea have just experienced the hottest August on record. Temperatures exceeded 100°F for several days in a row. Over 2,000 people were admitted to hospitals with heat related illnesses and seven people died. While

this has been an unusually bad summer, we distinctly remember the exhausting heat and humidity typical of this season.

In the summer of 2014, when my wife and I lived in Korea, we visited the city of Suwon. This dynamic city has over one million residents that live around an ancient fortress. As we walked through one of the downtown neighborhoods, we saw a large statue of Buddha on top of a hill. When we climbed the hill, we noticed a room beneath the statue. Inside were several thousand

small figurines inscribed with people's names. It was sobering to learn that each one represented a deceased Buddhist. As I contemplated so many souls that had died without Christ, I felt the urgency to reach Koreans with the Gospel before it is eternally too late. Please pray that the Lord will use us mightily to preach His Gospel in Korea.

We are grateful for the opportunities the Lord has provided for us to witness this past month. Please pray especially for two people that my wife and I had the privilege of presenting the Gospel to recently. Both of them listened intently as the truth was explained. It is our desire that they will turn to

Christ for salvation soon. Thank you again for your prayer and financial support. We count it a privilege to be your missionaries!

In Christ,
