

Dear Brothers and Sisters in Christ,

September 2017

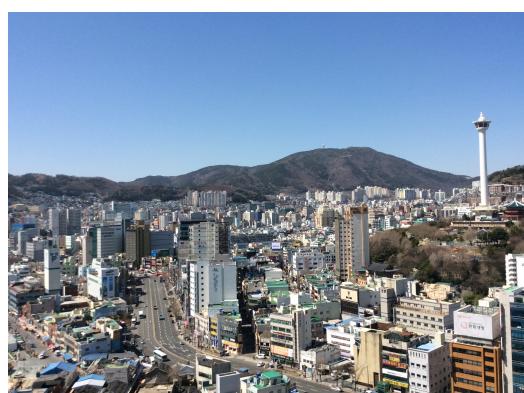

저희는 한국에 갑니다! We are going to Korea! By God's grace, we have completed our deputation time. The Lord has guided us, taught us, provided for us, used us, and we believe that He has been preparing us for the task of communicating the Gospel to the

Korean people. We have recently been occupied with the Korean visa process and with packing up our household in preparation for the move. Our wonderful daughter, JoAnn, is doing well and growing every day. Our current support level is 100%!

In accordance with the current visa regulations, we have submitted our application to the immigration office in Korea. If they approve our application, we can then receive our visas from the Korean Consulate here in the States. This is the final step that we must complete before we fly to Korea. Our target date for departure is September 28th. Please continue to pray with us that our visas would be obtained without any complications.

After much prayer and counsel from our pastor, we believe that the Lord has shown us His will for our initial plan of action in Korea. As you know, the Lord has called us to preach the Gospel in the city of Busan. Pastor Kim Hee Ok (김희옥 목사님), a veteran Independent Fundamental Baptist pastor in this Korean city, has invited us to attend his church for one year while we diligently study Korean. He was a great blessing to us when we visited Busan in the past. The church he pastors is one of the very few Gospel lights in this great yet spiritually dark city. Pastor Kim is a wise, seasoned, and dedicated servant of the Lord; we look forward to learning much from him. Though we will be primarily focusing our time and energy on mastering the Korean language, we desire to fervently communicate the Gospel through witnessing, passing out Gospel tracts, and inviting people to come and hear the Gospel at this wonderful church.

We ask that you would pray for us as we transition to Korea and that the Lord would enable us to learn the Korean language quickly. Please continue to pray that the Lord would use us to see many Korean people saved, lives changed, and churches started. Please pray also for the salvation of several people we had the privilege to share the Gospel with recently. We want to sincerely thank all of you for your faithful prayer and financial support. Your investment has been such a wonderful blessing to us. We desire that fruit may abound to your account for God's glory through our labor. We will continue to keep you informed of how the Lord is working through us. By God's grace, our next letter will be written to you from Busan, South Korea.
