## MISSIONARIES TO SOUTH KOREA

*"For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus' sake." II Corinthians 4:5*

Dear Pastor and Church Family,

March 2019

We hope you all are well and abounding in the work of the Lord. Our family is blessed and in good health. There is much to be thankful for! We praise the Lord for the mercy and grace which He has so abundantly given us.

False religion, skepticism, materialism, and pride are causing so many Korean people to be uninterested in the truth. As we labor to communicate the Gospel, we constantly encounter indifference from the people we have been called to reach. From a human perspective, the Gospel ministry in Korea can be difficult and discouraging; yet we praise the Lord that He has called us to such a needy place. As we rely on the Holy Spirit to work, we are so grateful for the privilege of shining the light of the Gospel for God's glory on your behalf here in Busan!

This last week while distributing Gospel tracts with a dear brother, we met an elderly man who received one of our tracts and stopped to talk with us. He began to tell of his bitter experience with an unbiblical form of "Christianity". As he talked, it was very evident that he did not have a biblical concept of the Gospel.

After listening for a while, we shared the Bible truths about salvation and urged him to consider the Lord Jesus Christ apart from falsehoods and false churches. Though it was quite a challenge to listen to his heavy regional accent, try to process his words, and then formulate a response, I was glad to be able to briefly share the Gospel with him in Korean along with my friend.

We continue to work to build relationships with several people we have met over the past months. Some new contacts have been made as well. Sarah has become friends with a lady whose young son is the same age as JoAnn. Sarah is enjoying the Korean conversation practice as she connects with this lady. The lady and her husband are staunch Catholics. We pray that we can reach this precious family with the true Gospel. In

Korea, it often takes time for genuine friendships to form. We certainly need wisdom in all of our relationships as we seek to lead these people to Christ.

We greatly appreciate your prayers as we learn Korean. I recently completed the second course of the intermediate level at the university language institute. I have registered for a new course that should have a more practical approach. While continuing with her private tutor, Sarah has additionally started a new language class that meets several hours each week. We continue to make learning Korean a high priority so that we can properly communicate the Gospel here in Korea. Thank you for praying and partnering with us!

In Christ,

Andrew Brown
