

Dear Pastor and Church Family,

April 2019

We are grateful to have the privilege of serving as missionaries here in Korea. Your faithful prayers and financial support enable us to labor in the Lord's harvest field. With the arrival of beautiful spring weather, it seems that more people have been receiving the Gospel tracts we routinely distribute. Our prayer is that we would see souls saved and lives changed for God's glory in these last days.

We recently made a new update video that details our life and ministry here in Korea. Through watching it, you can perhaps be better equipped to pray for us. Those who are interested can access the video on our website: gospeltokorea.org

church-plant. (You can learn more about these districts in our new update video.) Please pray that the Lord would lead us to the most strategic location in His perfect timing. We believe it would be advantageous for our ministry if we first had some personal experience (i.e. without heavily relying on a translator) of leading Korean people to Christ and seeing them begin to follow the Lord before we leave the church we are serving at now. In the meantime, we are continuing to focus on gaining essential Korean language proficiency. I have the goal of being able to preach a full-length sermon to adults in Korean prior to our transition to the task of starting a church. With the Lord's help, we are working diligently toward these goals.

In the New Testament, we find that the gospel of Jesus Christ spread through local churches. As we look to the not-too-distant future, we are excited at the prospect of planting a biblical church here in Busan through which souls can be saved, baptized, taught the Word of God, and other indigenous local churches can be started. We are seeking the Lord's guidance as to where He would have us begin the task of starting a church from scratch in our densely populated city. Currently, six districts are being surveyed as possible locations for our future church-plant. (You can learn more about these districts in our new update video.) Please pray that the Lord would lead us to the most strategic location in His perfect timing. Thank you so much for praying for us as we labor to communicate the Gospel of Christ to the Korean people!

In Christ,
