

THE *Brown Family* MISSIONARIES TO SOUTH KOREA

"For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus' sake." II Corinthians 4:5

Dear Pastor and Church Family,

April 2024

Greetings from our mission field of Busan, Korea! We hope you are well and are enjoying God's blessings as you serve the Lord in the field that He has called you to. With each passing day our Savior's appearance in the clouds for His own draws closer. What a privilege it is for all of us who know the Lord to serve as His ambassadors in this spiritually dark world! The month of March was a blessed time of ministry for our family. As the weather slowly warmed, the beautiful spring blossoms appeared. The nicer weather afforded us the opportunity to distribute more Gospel tracts than normal at various points across our city of 3.3 million souls. As we place thorough Gospel tracts into the hands of lost souls, we seek opportunities to connect and personally present the Gospel. Though so many that we encounter here are seemingly uninterested in hearing the truth, we are trusting the Lord to bless our efforts. Last month we welcomed four first-time visitors to Jungbu Independent Baptist Church. One elderly man who found our church through our new YouTube channel came three Sundays in a row. It was a privilege to share the Gospel with him each time he visited. While he comes from a "Christian" background, this does not mean that he has a biblical understanding of true salvation. We pray that we might help this man according to his spiritual needs in the coming days. We also pray that those people we have invited over the past months would come to our services, hear the Gospel, and trust Christ for salvation. We are especially burdened about reaching those that have a Buddhist or non-religious background which make up the overwhelming majority of our city's population. Regardless of their skepticism and how difficult it may be to make inroads with them, each soul in our city is one that Christ desires to save. We are asking the Lord for wisdom and enabling so that we may bear fruit and see Korean souls transformed by the Gospel of Christ for the glory of God. Thank you so much for your faithful prayers and sacrificial financial support! We are so grateful to be partnered together with you in the Lord's work.
